Dear Ms. Shukla:

This is in reference to our telephone conversation on July 13 and my interest in obtaining certain information from Franklin High School (FHS). It is requested that the school district submit in writing to this office by August 7, 2007, the information requested in this letter, as this information will expedite the interviews scheduled with FHS representatives in mid August.

In that regard, please provide the following:

1. The identities of all student-athletes who have enrolled at FHS during the period of July 1, 2004, to the present who have competed in the sport of football at FHS who transferred to FHS from a high school in American Samoa.
2. The attached chart indicating for each athlete identified in No. 1 above:
 - the years of enrollment at FHS;
 - the years of football competition for FHS;
 - all addresses and telephone numbers for each athlete's residency in the Stockton area on file at the high school for their period of enrollment;
 - the individuals who resided at that address;
 - an indication of whether CIF Forms 510 and 207 were submitted for each, and a copy of that form (if any); and
 - the reasons that FHS determined at the time of transfer of the athlete that it was a valid change of residence and that Forms 510 and 207 were not necessary. (In those situations, please provide a copy of the information utilized to validate the authenticity of that transfer).
3. A description of all inquiries conducted by FHS or Stockton Unified School District since July 1, 2004, concerning the transfer of student-athletes, as noted in the attached chart, from America Samoa to FHS, an overview of these inquiries and their results, and the dates and purposes of telephone calls placed by FHS representatives to the high schools in America Samoa concerning these transfers.

Thank you for your assistance in this matter.

Sincerely,

Charles E. Smrt

Mr. Pete Saco
Mr. Scott Donald
