Name	Ht/Wt	Yr	Last season's statistics
------	-------	----	--------------------------

Quintin Weiss		10	MMC frosh soph boys 100m runner up at mmc championship meet
---------------	--	----	--

_____	_____	_____	_____
_____	_____	_____	_____

TEAM NOTES

Strengths: we return just about everyone at the varsity girls' level. They should finally be contenders for the mmc league championship, especially if our distance runners improve. Boys return key sprinters and we have the best boys triple jumper in the mmc, Robert cash, and the best girls' high jumper, kaylin Garcia. Kaylin will make the state meet this year after missing the mark by two inches last year (improved from 4'6 to 5'2 in a matter of four weeks)

Weaknesses: Very few on the girls team ... a lack of throwers, and a small distance cadre ... although one of my girls who is a junior now broke 6 mins in the mile as a frosh (then left to do swimming for a year or so). Many weaknesses on the boys team ... lost our dominant throwers who always swept throws in league, and I have a barebones distance group.

Last year's varsity record: League _____ Overall _____

Last year's JV: Overall record and where the team finished in the league standings: _____

Your prediction for league race:

1. _____ 2. _____ 3. _____ 4. _____ 5. _____ 6. _____ 7. _____ 8. _____

Additional Notes: _____

Coaches: Please e-mail (restrada@modbee.com) or fax (238-4551) both sides of preview as soon as you can. Thanks for your support.

When playing at home or out of the area, please phone in results (578-2300 or 1-866-865-9803) as soon as possible following the event. We would appreciate first and last names for key players.
