# THE LIVESTOCK INDUSTRY

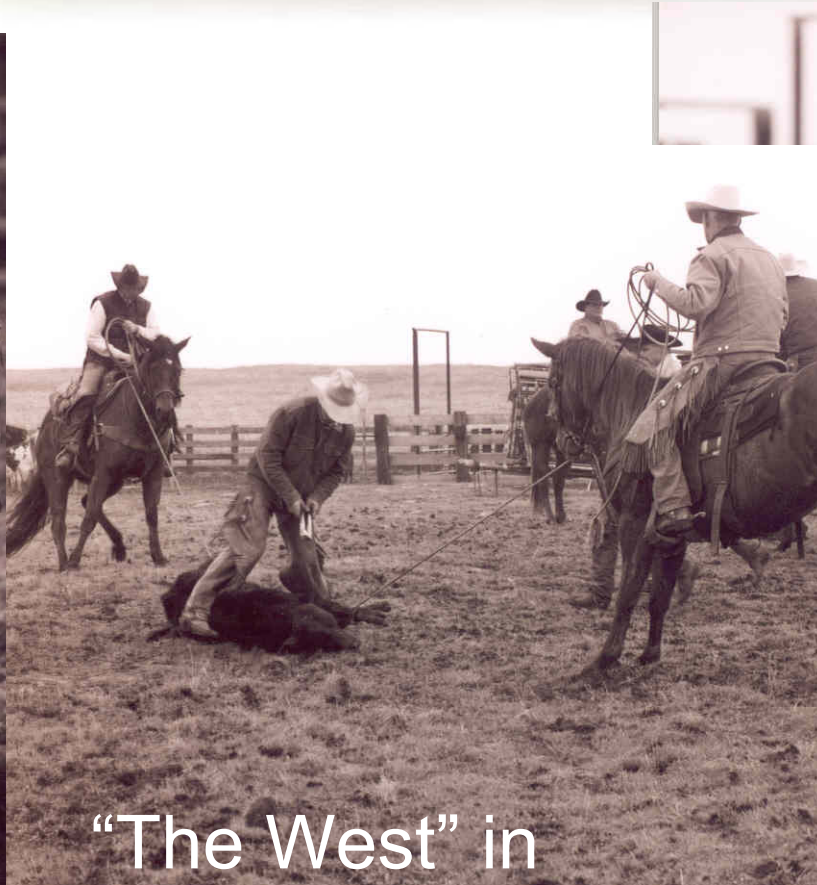

◇ In the mid-1800's, the area of Stanislaus County had two large land grants for cattle ranches.

- ◇ Cattle played an important role in gold mining.
- ◇ With irrigation at the turn of the century, livestock operations continued to expand in this area.
- ◇ Modern day Stanislaus County has a strong cattle industry, with Oakdale claiming the title of "Cowboy Capital of the World".
