

MPOWER

2009 Solar Photovoltaic (PV) Rebate Program Incentive Program For Systems 30kW or Less Rebate Reservation Request / Application Form

MID Customer Information (must be same as name of record on MID Account)		
Customer Name (As appears on MID Bill)		MID Account Number
Installation Address		City, State Zip Code
Mailing Address (if different than above)		City, State Zip Code
Application Date	Daytime Phone Number (s)	E-mail Address

Contractor / Vender Information		
Contractor / Vendor Name		Contractor Class & License Number
Mailing Address (if different than above)		City, State Zip Code
Contractor Phone Number	Contact Person Name	Contact Phone Number

Photovoltaic System Details		
PV Module Manufacturer		PV Module CEC-PTC Power Rating (watts)
Number of Arrays in System	Orientation Of Array (Compass Direction, i.e. "South, Southwest, Flat", etc.)	
Number of Modules in Array	Total Array CEC-AC Output (Number Of Modules X CEC-PTC Module Power Rating X Inverter Peak Efficiency)	
Inverter Manufacturer	Inverter Model Number	Inverter Peak Efficiency (CEC %)
	PV System Output (kW-PTCac)	Projected Installation Date
NOTE: Please Provide Module & Inverter Information For Additional Arrays (If More Than One Array In System)		

Installer Information (if other than contractor / vendor)		
Installer Name		
Mailing Address (if different than above)		City, State Zip Code
Social Security Number or Federal Tax ID Number	California Contractor License Number	Daytime Phone Number

Terms and Conditions

Each of the undersigned declares under penalty of perjury that:

1. The above-mentioned PV system:
 - a. Is designed to offset all or part of the customer's annual electrical needs.
 - b. Is located on the customer's premise and within Modesto Irrigation District's (MID's) service territory.
 - c. Is a customer owned PV system that is not leased or rented.
2. Customer understands that MID does not warranty or in any way guarantee the quality of the PV equipment. Acceptance of such is the customer's responsibility.
3. MID funding of customer's PV system is not guaranteed until this Rebate Reservation Request is approved by MID.
4. The customer shall comply with all city and/or county ordinance(s) and obtain all required city and/or county permits.
5. The customer shall complete and submit the required MID interconnection and Net Metering agreements.
6. MID is NOT party to the installation contract between the customer and contractor / vendor.
7. All environmental and Renewable energy credits that may be associated with this project belong to MID.
8. The customer agrees to grant MID access to the customer's property for the purpose of on-site inspection(s) to verify that the site and installed equipment are eligible for rebate.
9. The customer has read, understood and agreed to the program requirements as stated in the Photovoltaic Rebate Program Application Package & Qualification Standards.
10. Customer understands that MID is not responsible for any Tax Liability associated with the receipt of MID PV Rebate.
11. The information on this form is true and correct to the best of his/her knowledge.
