

# SHOWING YOU THE MONEY

The Stanislaus County Employees' Retirement Association provided this example of benefits for a member, age 59 at retirement and living until 84. This example is for a non-public safety member with 25 years of service and a final annual salary of \$55,000 or about \$4,580 per month. The example member receives \$2,638 per month in monthly retirement with a possible 3% cost-of-living increase each year.
