

BY THE NUMBERS

Monday was the deadline for public schools to notify educators if there's a chance they will lose their jobs come July. Besides teachers, librarians and counselors, managers with education credentials also had to be notified. Here's how many layoff warnings were issued in Stanislaus County and the percentage of educators affected in each school district.

	TEACHERS, COUNSELORS AND LIBRARIANS*			CERTIFICATED MANAGERS*		
	Total number	Layoff notices	Percent of total	Total number	Layoff notices	Percent of total
Ceres	531	0	0.0%	68	0	0.0%
