

MODESTO BEE CANDIDATE QUESTIONNAIRE

What is your full, legal name?

William Norman Zoslocki

What name do you prefer be used in print?

Bill Zoslocki

What office do you seek?

Modesto Mayor

What is the primary reason you are running for this office?

To address the need for high quality, wealth producing jobs, and to develop better planning for the future. We need to make Modesto more business friendly.

What will be your single most important priority if you get elected?

To prepare Modesto to move into a vibrant 21st century economy by focusing on the following:

- 1) Enhancing planning and education, thus enabling Modesto to move out of its 20th century economy of low skill, low wage jobs. Instead, we must have more visionary planning for a sustainable economy. That means that we preserve our agricultural base, while expanding it into a functioning tourist trade. We must invite new business location by advance planning for job centers off the freeway -- where manufacturing and business support services would prefer to locate (similar to Pleasanton's Hacienda Business Park).
- 2) Creating a more customer friendly culture within City Hall. There are many great employees within the city of Modesto, and now is the time to empower them to best serve our citizens.
- 3) Attacking crime most vigorously in the neighborhoods where crime is growing most rapidly. Those are the neighborhoods with large numbers of undocumented workers who are held in fear of oppressive gangs. I have already started with a plan that involves the Police Department, Sheriff's Department, the DEA, FBI, and community groups. This is modeled similarly to the successful plan utilized years ago in East Palo Alto by then County Supervisor Ruben Barrales.

What sets you apart from the other candidates?

Vision and truly independent leadership. I am also diligent and attentive to detail. Something like the ongoing SCAP scandal would not have gone unnoticed for so long had I been in a position of oversight.

Where do you work and what is your job title?

I withdrew from construction activities several years ago. Presently, I am involved in ongoing oversight of the maintenance of several residential properties, as well as oversight of personal business investments.

What date were you born and where?

July 31, 1953 in Calexico California

What is your spouse's name, if any?

Cathy Zoslocki

What are the names and ages of your children, if any?

Andrea, age 27

Beth, age 23

Please list the schools and colleges you attended, the degrees you attained and when.

Attended Thomas Downey high school (two years) and graduated Davis high school 1971
attended Modesto Junior College (two years)

Have you ever held an elected or appointed public office?

No

Have you run before for an elected public office?

No

Approximately how much money do you expect to spend on your campaign?

I have not set a specific goal. Two of my opponents are incumbent City Council members, and the traditional contributors, such as the developers and public unions, are much more likely to give to the incumbents. I am being very frugal with paid media, I am doing a lot of personal walking of neighborhoods. I am also proud and pleased to have a dedicated corps of young volunteers walking with me.

Have you ever been convicted or charged with a crime other than a minor traffic violation?

No

Have you or a business you owned or had principal interest in ever filed bankruptcy?

No

Do any of your immediate family members work for the organization/agency you are running to represent?

No
