

# PRESS RELEASE

## REV UP YOUR ENGINES FOR THE SEASON OPENER

Feeling nostalgic, want to relive your youth, love classic cars? The Modesto Area Street Rod Association has the perfect event for you. Mark your calendar for the 12<sup>th</sup> annual MASRA Graffiti Classic car show on Sunday, June 4, 2017 in Modesto, Ca. at the McHenry Village Shopping Center. This year the club will help celebrate 50 years of Camaro 1967-2017 with a special parking area just for Camaros. Event chairman Ray Lee says that the first 50 Camaros to park in the designated area will receive a commemorative t-shirt. In addition, we will have a 1967 and a 2017 Camaro on display. We like to add something new and exciting to the show each year. Participants and spectators will be happy to know The Hot Rods Band will be returning, filling the air with good old rockin' oldies. The Village merchants will be open offering a unique shopping experience or grab a bite to eat at one of many restaurants. Ray Lee states that this is a premier car show in a very unique environment. We expect 500+ classic cars from up and down the valley.

The Modesto Area Street Rod Association is a longtime local car club founded in 1975. Each year the club is able to donate thousands of dollars to local nonprofit organizations.

So reminisce about the time when life was simple and **Rev Your Engines for the Season Opener** on Sunday, June 4, 2017.
